YOU CAN'T EAT WAGES

In spite of all that has been said on the subject, there are still a good many folks who ignore the warnings sent out by the government that there will be a food shortage in this country next winter unless planting on a much larger scale than ever by town people, says the Brownsville Telegraph.

Senator Capper announces that 35,000 farmers have left Kansas farms since last harvest to reap what looks to them like the big wages of the towns and to enjoy the short hours of the mills and shops.

Unless the men who are working eight hours a day in mining or manufacturing, put in two or more hours daily in their gardens this summer, many of them will be hungry next winter.

Austria furnishes some food for thought in connection with the prospective food shortage in this country. Austria has a Socialist regime that tries to make wages match the cost of living. Wages went higher than ever, but it is estimated by one investigator that the annual salary of a railway conductor, 7,000 crowns, will not buy him more than twelve meals at a first class restaurant. The people of Austria are suffering from hunger. There is money by the bail in that country but it will not buy food—and the owners cannot eat it.

There are plenty of farms in Washington county of 100 acres and more in extent which one man will have to look after this year because he has no help. The boys don't like the long hours on the farm and they are flocking to the towns, just as Kansas boys did.

It is folly to blind one's self to facts. Blame the profiteers as you have a mind to, but there could be no profiteering if there were adequate production of commodities.

There is no way of getting away from the law of compensation. Unless higher wages results from larger production, they do no good to the recipient, for the other fellow's wages will go up too in proportion.

A CHARLEROI INTERVIEW

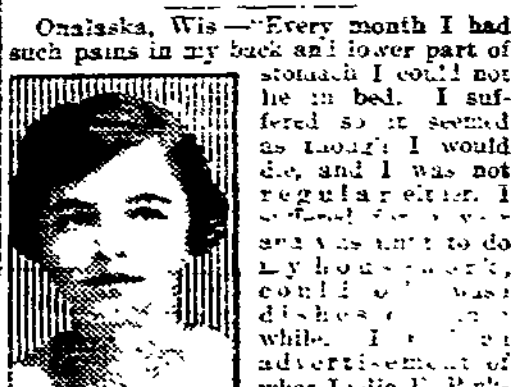

Mrs. Velletty Tells Her Experience.
The following brief account of an interview with a Charlottesville woman five years ago, and its sequel will be read with keen interest by every citizen.

Mrs. Louis Velletty, 205 Prospect Ave., Charlottesville, says: "I was troubled for years with swelling around my ankles and feet and found it hard to get around. A dull heavy pain in the small of my back made it hard for me to do my housework. Mornings I would wake up very sore and found great difficulty in bending or moving in any way. Rheumatic pains shot all through me and I often had a tired draggy feeling. I was advised to try Doan's Kidney Pills and purchased a box at P. O. Pharmacy. After taking two boxes of this medicine I was relieved. I still take Doan's occasionally and they keep me feeling fine." (Statement given Jan. 30, 1914.)

On December 11, 1918, Mrs. Velletty said: "I haven't had to use Doan's Kidney Pills lately and I tell everyone I hear complaining of their kidneys to try Doan's."

HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Warner.

Oonahaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die, and I was not regular either. I could not do any housework, and I was so nervous that I could not sleep. I had tried many things, but nothing helped me. I saw an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and I can do my housework without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good as Lydia E. Pinkham's Vegetable Compound. I will use these facts as a testimonial."—Mrs. LESTER E. WARNER, 1018 Pine St., La Crosse, Wis.

The reason women write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.

REPORT of Frank Riva, Licensee as Private Banker, No. 68 of No. 224 Fallowfield Avenue, Charlottesville, Washington County, Pa., Petitioner, at the close of business May 4, 1920.

FREE! Extra Pair of Trousers

with every suit and coat and trousers order. An extra pair of trousers actually doubles the life of a suit and is truest economy. A selection of 400 Spring and Summer fabrics.

ALL PURE WOOL

Also Palm Beaches,
Coolkeny Crashes, etc.

Especially in the summer when trousers are frequently worn without coat, an extra pair of trousers to match a suit is advisable because trousers are given so much wear. Then, too, the extra pair of trousers adds considerable to one's appearance if the reserve pair is kept pressed and creased ready for exchange.

This Offer is for a Limited Time Only!

Every person of common sense
knows that in the recent campaign
one of the two major parties will
succeed. Therefore every citizen
who wishes to make his influence

count will affiliate himself with one
of the two parties that may be tak-
en into serious consideration in con-
nection with the election result. And
those who do not wish the party now
in power to continue its power will
affiliate themselves with the one
party organization which holds forth
the prospect of a change in the trend
of national legislation and adminis-
tration.

Goodyear Leadership— and Tires for the Smaller Cars

Enormous resources and scrupulous care have produced in Goodyear Tires for the smaller cars a high relative value not exceeded even in the famous Goodyear Cords on the world's highest-priced automobiles.

In addition to its larger sizes, Goodyear manufactures an average of 20,000 small car tires a day in the world's largest tire factory devoted solely to the 30x3, 30x3½, and 31x4-inch sizes.

Last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

Their extreme worth is available for your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.

30x3½ Goodyear Double-Cure \$23.50
Fabric, All-Weather Tread

30x3½ Goodyear Single-Cure \$21.50
Fabric, All-Weather Tread

Goodyear Heavy Tourist Tubes are built to protect casings. Why endanger a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of \$4.50 less merit. 30 x 3½ size in waterproof bag \$4.50

Goodyear Service— Our Service

It is part of the Goodyear policy and part of our policy to be of real service to all tire users.

Goodyear builds three types of clincher casings for the smaller cars such as the Ford, Maxwell, Chevrolet or Dort—and the same long mileage is built into them as in the larger sizes.

We help you choose the best type of tire for your needs, and we tell you—show you—how to get the longest possible mileage out of the tire.

We have a complete stock of Goodyears. Casings and tubes of all sizes and types. Tire Accessories, etc.

It will pay you in many ways to take advantage of our SERVICE.

THE CHARLEROI MAIL

VOLUME XX—NO. 259

CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, WEDNESDAY, MAY 12, 1920

TWO CENTS

COUNTY COMMISSIONERS WILL MEET IN CHARLEROI TOMORROW

Local Road Situation Will Be Discussed with Board of Trade Committee

PROSPECTS GOOD FOR ACTION

Members of the board of county commissioners, as well as a representative of the State Highway Department will meet with the local board of trade committee in Charleroi at 10 o'clock Thursday morning to discuss the local road situation. Mr. Boyd, of the legal department of the Pittsburgh Steel company, will be present, also Roy I. Carson Esq., who is in charge of the publicity department of the present campaign, and who will be chairman of the public meeting to be held in the Turner Hall in the evening.

The commissioners will be accompanied by their engineer, and it is probable the State Highway Department may also have an engineer present, but this is not certain. The object of the meeting in the morning is to go over the status of the situation as it affects the improvement of the public road between Speers and Coal Centre and an endeavor made to arrive at some amicable adjustment which will prove satisfactory and at the same time give assurance of an early beginning of this very important work.

The various committees appointed to look after the details in connection with this meeting have performed their work well. A special committee, of which Senator Herron and Kerfoot W. Daly were members, had a very satisfactory interview with State Highway Commissioner Sadler at Harrisburg on Monday morning, and much of the information obtained there will likely be made known at the meeting Thursday evening. The State Highway Department is thoroughly conversant with local details—they have the surveys and plans immediately available and are prepared to go ahead with their program on a few days' notice. Other features, however, enter into the consideration of the question, but it will be the purpose and aim of the local committee as well as the county commissioners and others interested, to take these into consideration, and endeavor to arrive at a plan which will mean action during the summer and which will mean the beginning of actual construction work on this very much needed improvement.

All arrangements for the meeting are being worked out in a very satisfactory manner and it is likely the committees will have something definite to report.

STEEL COMPANY IS SHIPPING BY B. & O.

The Pittsburgh Steel company as well as the Steel Products company, is shipping a quantity of finished products by the Baltimore & Ohio railroad. The material is being taken to West Newton by truck and loaded on

HIGH SCHOOL EXHIBIT FRIDAY EVENING NEXT

The annual exhibition of High school work, including the manual training and domestic science departments, will be held in the High school gymnasium, Friday afternoon and evening, May 14th. Parents and patrons of the schools are invited to attend the exhibit.

LOCAL OWNERS SELL SHADY GROVE PARK

Announcement was made a few days ago by Robert S. Coyle that Shady Grove, along the West Penn railway, about midway between Uniontown and Connellsville, had been sold to Bert Miller and his mother, Anna M. Miller of Connellsville. The charter for the Shady Grove Park company was also turned over to the new owners, who took immediate possession.

The owners of the park, which was opened in 1895, were Mr. Coyle, Tom P. Sloan, D. M. McCloskey and John K. Tener. It has been operated as a place of amusement and in the past proved to be a very popular recreation center. In speaking of the transfer the Uniontown Herald says that "People of Fayette county will deeply regret the severance of business relations from the park, as he has conducted the business on a systematic basis and has made numerous friends by his management and general courtesies."

ANDY GRAYLOCK ON TRIAL FOR MURDER

Testimony that Andy Graylock, on trial in the criminal court of Allegheny county, charged with murder of Patrolman Robert Hamilton of Turtle Creek, was at his home attending a birthday party the night the officer was shot by two men who robbed the Mirror restaurant, Turtle Creek, was given for the defense by George Sarafini of Stockdale. The trial was completed Tuesday afternoon and given to the jury, which was expected to return a verdict this morning. Graylock was arrested by the Charleroi police and lodged in the Washington jail, in connection with a nother crime, but was turned over to the Allegheny county authorities to answer for the Turtle Creek murder.

Advertise your wants in the Classified column of the Mail.

There are for shipment east. The steel company is now well fixed in the way of making shipments, as it is utilizing the river, the Pennsylvania, and now the B. & O. While it is a little unhandy, yet the officials are keeping the mills going at capacity.

Monday Musical Club Gives A Splendid Performance

The performance of the two-act opera, "Yokohama Girl," as presented at the high school auditorium, last evening, by the Monday Musical Club under the direction of Prof. I. T. Daniel, proved to be one of the most enjoyable events ever experienced by a local audience. As a well known patron of musical affairs tersely expressed himself, "It was the most professional performance, by an amateur organization, ever seen in Charleroi." And this seemed to be the general opinion, judging from the complimentary references to the excellence of the performance, which were heard on every hand.

The attendance was a matter of much gratification to the members of the Musical Club, who, while ostensibly an organization having for its chief object the study of things pertaining to music, is this season engaged in the laudable duty of looking after tubercular work in Charleroi and vicinity. Practically every seat in the auditorium was occupied, and as a result, considerable revenue will be available for the prosecution of the work in hand. The large attendance was also an inspiration to the performers on the stage whose efforts were at all times greeted with loud applause.

The cast of characters included the names of the leading vocalists of this section of the valley. William O. Williams of Monessen familiarly known to a large circle of friends as "Red," essayed the part of "Fated," mayor of Kybosh, with splendid results. He proved an ideal executive and was a pronounced factor in the success of the performance. Miss Ethel Barth as "O Sing-a-Song," looked quite petite and acted and sang her part in a manner leaving nothing to be desired. "Tung-Waga," an elderly nurse, was well portrayed by Mrs. Charles E. Seals. Especially pleasing was her clarity of enunciation, while her acting was much enjoyed. Miss Thelma Duval as "Kissmee," companion to "O Sing-a-Song," performed the duties allotted to her with unusual success. Miss Emma Clutter sang the "Nodding Doll," one of the vocal gems of the opera, in a manner which elicited loud applause. Especially effective was Miss Margaret Swan's impersonation of "Ah No," a Chinese laundress, and her effort fully merited the approbation bestowed. Joseph H. Pearson as "Takasi," the herald of Kybosh, was dignified and sang with good effect. Walter Stroud's work as "Knogudi," the mayor's secretary, was especially effective. C. Warren Kinder, as "Harry Cortese," an American lawyer, gave a most pleasing portrayal of the man who vanquished the domineering Mayor of Kybosh. His splendid tenor was much enjoyed. Earl A. Nicholson was quite effective as the policeman, "Muvon Yu," and was at all times, much in evidence. Misses Emma Clutter and Planche Allison and Mesdames Shanne Rytbe and John R. Gaut as American tourists and friends of "O Sing-a-Song," did their work well.

BROWNSVILLE BACK TO EASTERN STANDARD

Brownsville has gone back to Eastern Standard time, and will observe the old regulation during the summer. A popular vote taken by the Brownsville Telegraph and which lasted over a period of several days, resulted as follows: For Eastern Standard time, 779; for daylight conservation, 89. All of the business men of the town had gone back to old time, after trying the new time for a couple of days, and this action seems to have had a great influence on the people of the borough. The public schools announced on Monday that on the following day they would resume the old schedule, but the banks will observe the new hours in order to conform to the schedule of the Pittsburgh Clearing house. Outside of the financial institutions, which will be open from 8 a. m. to 2 p. m., all other business houses and institutions of Brownsville will follow Eastern Standard.

Advertise your wants in the Classified Column of the Mail.

All in all, the performance was a pronounced credit to all who had a part in it. Especially is this true of Prof. Daniel, who directed the production in his usual masterly manner having the work well in hand at all times. Much praise is also due the efficient accompanist, Miss Bethel Bowman, whose work was an important aid in the success of the presentation. Otto Schultz, violin; Felix Rossonne, flautist; Frank Bezy, cellist, and Alfred Lange, double bass, furnished the instrumentation. The stage settings were very attractive and included Japanese lanterns and practically everything which even suggested the Land of Nippon.

According to an announcement made by the Secretary of the Commonwealth at Harrisburg on Monday all polling places in the State would open and close by Eastern Standard time next Tuesday. In Charleroi and other communities where the daylight conservation time is in effect the polls will open at 8 o'clock in the morning and close at 8 o'clock in the evening. A local inquiry was sent to the Commissioners at Washington on this same question and no doubt it will be answered in conformity with the above. The State has not adopted the daylight conservation schedule, still adhering to the Eastern Standard time, and consequently all regulations governing the opening and closing of polls will be in full force and effect. This announcement is important, as it will save a great deal of confusion on the part of voters to know just what time will prevail for regulating the opening and closing of polls on election day.

EASTERN STANDARD TO RULE ON PRIMARY DAY

According to an announcement made by the Secretary of the Commonwealth at Harrisburg on Monday all polling places in the State would open and close by Eastern Standard time next Tuesday. In Charleroi and other communities where the daylight conservation time is in effect the polls will open at 8 o'clock in the morning and close at 8 o'clock in the evening. A local inquiry was sent to the Commissioners at Washington on this same question and no doubt it will be answered in conformity with the above. The State has not adopted the daylight conservation schedule, still adhering to the Eastern Standard time, and consequently all regulations governing the opening and closing of polls will be in full force and effect. This announcement is important, as it will save a great deal of confusion on the part of voters to know just what time will prevail for regulating the opening and closing of polls on election day.

JOHN K. TENER STRONG AS A CANDIDATE FOR DELEGATE

NEW TRAIN SCHEDULE ON THE 23RD OF MAY

The Pennsylvania Railroad company has announced that a new passenger train schedule will go into effect on the Monongahela Division on May the 23rd. This is the usual spring schedule, which will govern the running of passenger trains during the summer and early fall period.

LOCAL RECRUITING STATION FOR NAVY

R. C. VanCorder, Chief Gunners Mate U. S. Navy, will open a Naval Recruiting Office in the Post office building at Charleroi, about the 18th of May and will stay 10 days.

Men between 18 and 35 years of age who are citizens of the United States of sound mental and physical condition, good moral character and able to read and write the English language are wanted for the Navy. The term of enlistment is for two, three or four years. Men entering the Navy as apprentice seaman may choose any of the following training stations: Newport, R. I., Hampton Roads, Va., Great Lakes, Ill. Pay ranges from \$32.60 per month for apprentice seaman to \$145.00 a month for chief petty officers. Congress has just passed a bill increasing the pay of the Navy about 50 per cent.

At the present time there are wonderful inducements for young men to join the Navy. Young men in this branch of the service may receive an education and acquire a trade of which the Navy has 27 trade schools for the men to make a selection. You have a chance to become an Officer in the Navy; 100 applications are made each year from the enlisted personnel. Men re-enlisting can choose most any Naval Station they desire. All men interested in the following are cordially invited to call at the Recruiting office at the Post Office Building at Charleroi of take hours are from 9 a. m. to 8 p. m. where they can obtain full information about enlistments in the Navy.

FEW FIREMEN FAIL TO RETURN TO WORK

Agitators working among the employees of the Monongahela Railway company at Brownsville are held responsible for the failure of nine firemen to respond to calls Sunday night. Their failure to report did not interrupt traffic on the line, officials say.

All during the period of the tie-up of the West Brownsville yards of the Pennsylvania railroad the employees of the Monongahela railway kept steadily at work, but the seeds of dissension were sown among them without effect however until Monday night, when the work of the

Making No Campaign, But Voters of District Recognize His Fitness

ABILITY PROVEN BY PAST WORK

Republican electors of Washington, Beaver and Lawrence counties elect former Governor John K. Tener of Charleroi as one of the two Republican national delegates to represent the Twenty-fourth Congressional district in the Chicago convention. They believe that his services to his state and party merit this recognition.

The Republican convention of 1920 will be one of the most important, if not the most important, in the history of the party. It will be held within less than a month and there is no one in the United States who can with safety forecast the nominee. It will be one meeting at least in which the delegates will determine this question after they assemble in Chicago.

Men of sound judgment are needed in the convention; men who have had experience in public affairs and know the needs of the country and have the broad vision to aid in working out the problems of this trying reconstruction period. It is with this thought in mind that the Republican party in Pennsylvania is endeavoring to send an unimpaired delegation of men capable of joining in the selection of a capable candidate for President and placing him upon a platform which will win the confidence of the electorate of the country.

The Republican electors of the Twenty-fourth district appreciate the splendid public service Mr. Tener has given as its representative in Congress and as Governor of Pennsylvania. Since his retirement from the gubernatorial chair he has not sought any favor at the hands of the state, but has been content to take his place as a private in the ranks of the Republican party and give his service to its candidates.

Mr. Tener has not been making a campaign for the office of delegate. At the solicitations of friends he filed his papers to have his name appear on the ballot. Reports from the three counties indicate that his candidacy is meeting a cordial reception at the hands of the Republicans who appreciate his past service and feel confident of his capability to represent the district in this most important convention.

Washington & Jefferson College mock convention went on record on Tuesday in favor of Gen. Leonard Wood as the Republican nominee for President. The convention was preceded by a parade, which was quite a feature of the event.

The agitators became apparent. However the officials of the road were able to take care of all traffic offered and without detriment to the service.
